Supplementing our report to you of August 20, 1959, regarding the effect on special taxing districts of "Cudahy Annexation No. 4" to the City of Huntington Park, we further report as follows:

On January 3, 1961, the City Council of the City of Huntington Park passed Resolution No. 4528 purporting to withdraw from Consolidated County Fire Protection District all that portion of said district within the above annexation.

According to County Counsel opinion, Section 14940 of the Health and Safety Code indicates that the city cannot now accomplish withdrawal by this method, since the resolution was not adopted within one year after the completion of said annexation on August 10, 1959.

Los Angeles 12, California

Dear Mr. Hollinger:

Yesterday I received a copy of your memorandum dated December 1, 1961 addressed to all cities in Los Angeles County regarding County Fire Protection District territories within incorporated cities. Included on the list was item 30, Huntington Park Cudahy Annexation No. 4 (revised). This item was marked (X), indicating an annexation completed more than one year ago and not subject to withdrawal by city resolution.

Cudahy Annexation No. 4 (revised) was completed August 10, 1959, on which date a copy of Ordinance No. 1418 was filed with the Secretary of State.

On January 3, 1961 the City of Huntington Park, by Resolution No. 4528, purported to withdraw from County Fire Protection District all that portion of said District within the boundaries of Cudahy Annexation No. 4. By letter dated January 25, 1961 County Division Engineer Robert K. Williams notified this office that according to County Counsel opinion this attempted withdrawal was ineffective for the reason that said resolution was adopted more than one year after the completion of the annexation.

On January 3, 1961 a petition was filed by the Single District Board of Supervisors with the State Board of Equalization requesting withdrawal of the Huntington Park Consolidated County Fire Protection District from the County Fire Protection District. On January 17, 1961, at its meeting, on January 17, 1961, the Board of Supervisors, at its meeting, on January 17, 1961, upon conclusion of the scheduled hearing, the Board of Supervisors ordered withdrawal of Cudahy Annexation No. 4 from the Consolidated County Fire Protection District and indicated that inasmuch as there were no water contracts to modify, this withdrawal was to become effective on January 31, 1961.

By letter of January 31, 1961 from Division Engineer Robert K. Williams, addressed to Mr. Fred P. Hart, Associate Valuation Engineer, State Board of Equalization, Sacramento, California, copies of which were forwarded to J.R. Quinn, County Assessor, K.E. Klinger, Forest and Fire Warden, Huntington Park City Clerk, and J.J. Stump, the action of the

CAO L.S. Hollinger

Dec.8, 1961

Board of Supervisors was outlined and the process of withdrawal from the Consolidated County Fire Protection District was completed.

I am unable to determine why the above-mentioned item No.30 still remains on your list as included within the District. Will you please re-check your records to determine wherein the error lies and notify me by return mail in order that any defects might be cleared up before February 1, 1962.

Thanks for your courtesy and consideration.

1. That pursuant to the provisions of the "Annexation of Uninhabited Territory Act of 1939," proceedings have been initiated by the Council of the City of Huntington Park, on its own motion, to annex to the City of Huntington Park all that uninhabited territory situate in the County of Los Angeles, State of California, hereby designated as "Cudahy Annexation No. 4 (Revised)" and described as follows:

And the said City Clerk is further authorized and directed to cause written notice of such proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on the date the above said proceedings were initiated, at the roll or known to said Clerk, and to any person who has filed his name and address and the designation of the lands in which he has an interest, either legal or equitable, with said Clerk, such notice to be given not less than twenty (20) days before the first public hearing on the proposed annexation.

And, in the event there is, upon the land proposed to be annexed, a structural improvement owned, being acquired or leased by a county fire protection district, the said Clerk is directed to cause written notice of such proposed annexation to be mailed to the governing body of such district, such notice to be sent not less than ten (10) days before the first public hearing upon such proposed annexation.

And the said City Clerk is directed to cause written notice to be given to such other persons as may be legally entitled thereto, in the manner required by law.
